The Annual General Meeting will take place on 30th April. Notices have already been sent to members.

Selection of Ireland Teams: The Selection of future Irish Fencing Teams - with particular reference to the Olympic Games, Mexico, 1968.

The Selection Panel wish all fencers to understand that home form alone will not be sufficient basis for their selection of Teams to represent Ireland internationally.

Those to be considered should fulfil the following conditions:

- #1
- (a) Take part in at least 3 competitions abroad (1 of which may be in Britain).
  - (b) Obtain a placing in a competition abroad.

Copies of fullest results to be forwarded to the Selectors after each Competition, also a short commentary on the competition in general.

A SCHEME FOR PRELIMINARY COMPETITIONS FOR YOUTHS & SCHOOL CHILDREN TO MAJOR TOURNAMENTS has been accepted in principle by the Council. The idea is to provide more competition and an incentive to young fencers to participate in major events. A low entry fee will be charged and a certain number will earn the right to free entry to the main event.

THE MEMBER TO WHOM THIS CIRCULAR IS ADDRESSED IS EXPECTED TO MAKE ITS CONTENTS KNOWN THROUGHOUT HIS CLUB.
