Dear Sir,

Thank you for your letter of 3rd. March.

I wish to assure you that the entire matter will be kept 'top secret' as I do appreciate the possible implications if such information were to 'leak', especially to the Press.

I would like very much to be present at the Congress of the F.I.E. in Nice when my case is being discussed. Maybe I could answer any queries that may arise? Is it possible for me to attend?

As this whole affair is of such great importance to me, I wish to help in every way possible in bringing it to a speedy and amical conclusion.

Thank you for keeping me informed of events.

With every good wish,

Yours sincerely,

  
Lawrenceough.
